Completions Overview
Welcome to the IPEDS Completions survey component. The Completions component is one of several IPEDS components that is conducted during the Fall data collection period. It collects the number of degrees and certificates awarded by field of study, level of award, race/ethnicity, and gender. The reporting period for the Completions component is during the 12-month time period beginning July 1 of the previous calendar year and ending June 30 of the current calendar year; therefore, for this year's Completions component, the reporting period is between July 1, 2011 and June 30, 2012. Beginning with this year's data collection (2012-13), the Completions component is also collecting the number of students (e.g., completers) who earned awards between July 1, 2011 and June 30, 2012.
Completions Common Errors
Some common completions component errors include the following: • Including award levels on your current year Completions that were not reported on your previous year's (PY) Institutional Characteristics (IC). [Award levels in the PY IC component cannot be changed; therefore, contact the IPEDS Help Desk at 1-877-225-2568 if you need assistance.] • Forgetting to select CIP codes for new programs of study that are offered by the institution, but do not have completions for the reporting period. • Forgetting to enter in zero in at least one of the cells for CIP codes that do not have completions.
Recent Changes

• The following question on **distance education** has been added to the "CIP Data" screen:
"Is this program offered as a distance education program?"
• The following two new screens, which collect data specifically on students have been added to this component:
    ○ **"All Completers"** - Collects the number of students who earned an award between July 1, 2011 and June 30, 2012 by gender and race/ethnicity. (The intent of this screen is to collect an unduplicated count of total numbers of completers.)
    ○ **"Completers by Level"** - Collects the number of students who earned an award between July 1, 2011 and June 30, 2012 by award level and 1) by gender; 2) by race/ethnicity; and 3) by age.

General Information
CIP Codes: The CIP 2010 Website includes a list of new CIP codes, a list of deleted CIP codes, a list of moved CIP Codes, and an online crosswalk of the 2000 CIP and 2010 CIP. The Resources Page of the CIP 2010 website contains many valuable resources including: • CIP 2010 Manual and copies of previous editions of the CIP Manual • Crosswalk between the 2000 CIP codes and the 2010 CIP codes in Excel format
Keep in mind that some information provided by institutions on the Completions component appear in the College Navigator, which is a major tool used by consumers searching for information about postsecondary education. It is therefore vitally important that you include accurate information about your institution. Survey materials can be downloaded using the following link: Survey Materials. The prior year revision system can be accessed using the following link: Prior Year Revision System

Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2013.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
