- ACCT 201 – ARE 110

ACC 212 (WVU's ACCT 202) and MTH 271 (WVU's MATH 150) have been approved to be utilized as Restricted Electives.

\*\*ARE 491's summer internship is one of three options available to complete the Agribusiness Management Capstone requirement. Although it is the most commonly pursued option, students may forgo this summer session and complete the requirement via study abroad or thesis composition. Students are encouraged to work with their advisor to select the option that best suits their academic needs and interests.

The WVU General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. These 3 Areas will be fulfilled by General Education requirements at Lord Fairfax. Students must also complete 3 credit hours from each of the GEF Areas 4 through 7, and are encouraged to study the provided GEF chart to select electives that satisfy these requirements. By using the suggested plan of study above, students are able to fulfill this requirement prior to graduation from Lord Fairfax. Any GEF Areas not completed at LFCC will need to be fulfilled by utilizing ELECTIVE credit at WVU to do so.

Students who have questions about GEF requirements or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
