I don't see my Financial Aid listed, what is wrong?

There could be several reasons as to why your aid is not listed, these are the most common reasons:

- **Not within the Bookstore Charging Dates**—Be sure to check the dates posted at the top of laurelridge.edu/fabooks. *If accounts have closed for the semester, then any books and supplies must be paid for out of pocket. Any excess aid after applied to tuition will be issued as a refund to you later in the semester.*
- **Bookstore Authorization not complete**—To complete it: Login to your MyLaurelRidge Account>> SIS>>Student Center>> To Do List. Click the item, read through it, then click **Submit**. *This is only completed once a year, so it is good for Fall 2020, Spring 2021, & Summer 2021.*
- **Items on To Do List**—If documents still need to be provided to the Financial Aid Office, then aid will not be available in the Bookstore. Please submit them ASAP via your To Do List, [email](#), or fax to 540-868-7274.
- **No Excess Aid**— If you do not have enough aid to use towards books, nothing will be available in the Bookstore. Login to your MyLaurelRidge Account>> SIS>>Student Center>>Account Inquiry>>Click Yellow Bar Calculating Amount Available: **Pending Financial Aid – Outstanding Charges & Deposits= Amount Available**

If none of these reasons apply to you, please contact the [Financial Aid Office](#) so we can investigate the issue further.
